Notes from the Administrators:

Welcome to the 2020-21 school year! We are excited to welcome our students and families back from such a LONG break!! We also want to welcome some new staff members and a few new students to our MCC team. We strive to work together closely with our parents and families to provide the supports needed so each student experiences success.

Please take a few minutes each month to review the information contained within our newsletter. This month there are important things for all families to know about our district in the Annual Parent Notifications packet included. Please let us know if you have any questions regarding this information.

We are glad many of you were able to attend our 'Virtual Meet the Teacher' evening and look forward to working with your students. Here's to a wonderful school year!
